	Question Received	Answer
1	Listed on your site are these all the applicable grants that a [sic] organization can apply for? Also can you send me a list of specifics grant names or titles for August 8, 2013 deadline.	The Fund for Veterans' Assistance, Series XIV-A, Request for Applications (RFA) is the only grant that is currently open for applications. Specific grant names or titles are up to the organization.
2	I'd like to confirm that the three targeted areas are just that, we should chose one of our programs that's a good match for one, and not all three. Am I correct?	The Grant Project Service Categories are listed in <i>Part 2: Grant Project Information</i> in the Application. The directions ask that <i>one</i> Grant Project Service Category be selected.
3	Is the informational application webinar still scheduled for June 26, 2013?	Yes. A link has been posted on the FVA website and directions on how-to attend this webinar. Please visit: http://www.tvc.texas.gov/Upcoming-Trainings-and-Events.aspx
