August 7, 2015

Question

A question was posed by a webinar participant regarding whether units of local governments (cities and counties) were required to provide a copy of current professional liability insurance and/or malpractice insurance policy.

Sarah Tillman, FVA Manager, answered that yes, all applicants were required to provide this documentation.

A follow-up question was asked by a different webinar participant regarding this requirement. The participant stated that the Application Checklist noted that units of local government were not required to submit a copy of insurance.

Ms. Tillman stated that she would review all applicable documents and post clarification.

Clarification

As noted on the Application Checklist, “Counties and Municipalities are **not** required to submit a copy of current professional liability insurance and/or malpractice insurance policy.”
