

TCCVS

Health Workgroup

TVC Lead: victor.polanco@tvc.texas.gov

Organizational Meeting Notes

9-23-15

- Eligibility
 - State efforts to expand outreach efforts to inform Veterans on using the VA choice program.
 - Veterans need to be able to better navigate the VA health care system
 - VCSO and other VSO need training seminars
 - TMA could be used to coordinate training seminars
- 211
 - Replicate 211 model within other call centers
 - 211 should provide info and guidance to veterans calling for information related to federal and state health services
- Access
 - Encourage legislators to pass a HCR to maintain and promote the VA choice program set to expire next year
 - TMA can used for outreach effort to Drs. as it relates to awareness of the VA choice program
 - VA choice program FAQs could be placed on the Veterans Portal
 - Veteran related benefits within the ACA should be reviewed
 - Create a PSA for the VA choice program to generate awareness
 - Texas Medical board should be encouraged to include veteran related training
