

**TCCVS
Transportation Workgroup**

3/10/2016

TVC Lead: Justin Coleman
Justin.coleman@tvc.texas.gov

<http://www.tvc.texas.gov/TCCVS.aspx>

1. Explore how the State can encourage municipal transit agencies to increase support to veterans needing transportation to health care related services
2. Support initiatives that provide equitable relief to veterans for toll road fees across the state
3. Pursue the feasibility of a reduction in driver's license / state identification fees for veterans
From Sen. Menendez's bill.
4. Purpose a study that explores the statewide need for health care related transportation services for Veterans.

John Wood (john.wood4@va.gov) called in a supported the idea that there needs to be a broad study conducted to gain a better understanding of the need across the state for veterans transportation to health care appointment. The VA does not keep good data or conduct surveys as to the transportation issues/needs for its customers.

He was aware of the workgroup from Kevin Jackson and the Blind Veteran Association.
