

Fund for Veterans' Assistance

Veterans' Mental Health

Addendum I – Questions Received as November 21, 2014

	Question Received	Answer
1	I am working with XYZ. A nonprofit organization, we provide substance abuse treatment services to a large portion of South Texas. Would substance abuse treatment be an eligible activity under this grant?	<p>Page 3 of the Request for Applications addresses the priorities that will be used by the advisory committee in making funding recommendations. Activities of a substance abuse treatment program that may be considered are:</p> <ul style="list-style-type: none">• Addressing any gap in mental health services• Provision of Services from mental health care professionals, especially to Veterans and family members living in rural areas• Provision of mental health services that specifically relate to mental health issues resulting from military service• Provision of Therapy to Veteran family members regardless of the participation of the Veteran
